Northern  
Light

## YOU

are a child of the universe,  
No less than the trees and the stars,  
You have a right to be here.  
And whether or not it is clear to you,  
No doubt the universe is unfolding as it should.  
Therefore be at peace with God,  
Whatever you conceive Him to be,  
And whatever your labors and aspirations,  
In the noisy confusion of life  
Keep peace with your soul.  
With all its sham, drudgery, and broken dreams,  
It is still a beautiful world.  
Be careful.  
Strive to be happy.

# *TO YOU, MISS JUDITH COBB*

The class of 1971  
takes great pride in  
honoring you, a mem-  
ber of the faculty, who  
has consistently de-  
voted your time to the  
senior class. In appre-  
ciation for all of your  
efforts we would like  
to dedicate the 1971  
Northern Light to you.

## SUPERINTENDENT

Maintain your individuality. It is life's most precious gift and it is what makes you, as a person, unique. Avoid mob venture. Your integrity is far more important than your popularity. Therefore, never go along with the group at the expense of your conscience. Determine on some course. A wavering mind is but a base possession. Every noble deed dieth if suppressed in silence. The sin of omission can be as deadly as the sin of commission.

"Never draw your sword except in honor. Never sheath it without victory."

## *PRINCIPAL*

### *IMPORTANCE OF EDUCATION*

We cannot emphasize too strongly the important part that schools play in our daily lives. They teach us to think, to communicate, to make intelligent decisions; they instill in us a sense of duty and consequently, we become better individuals and citizens. Unfortunately, too many of us do not realize the importance of seeking knowledge until it is too late. The educational opportunity afforded you now is truly priceless. Make sure that each and every one of you realize this and make the most of your opportunities.

## CUSTODIANS

Classmates of 1971,

I would like to extend my sincere thanks to each and every one of you for the cooperation and confidence you have given to me during our past years at North Attleboro High School.

I hope that the lessons we have learned and the guidance we have received may help us to choose the right path to the next step in the future.

We must realize that very shortly we will not be together anymore. Each of us will be going his or her own way to seek their own ambitions. I'm sure that if you face this future with the determination that you have all shown in the past you will succeed.

It is your own step now. You and only you must decide upon your future. No matter what, all that has been said or done during our four years at North will never be forgotten. May you have the very best of success and happiness in everything you attempt. Good Luck and may God bless you all.

## COACHES

Seniors,

On behalf of all the coaches a sincere thanks for your efforts this past fall. Certainly your devotion not only to us, but to North Attleboro High School, will always be remembered.

My only regret to all of you is that the Attleboro game could not have been ours. Your Pride, Spirit, and Desire on Thanksgiving unsurpassed anything I have ever been associated with.

Take all the lessons football has taught with you in life and success will never elude you.

My thoughts will always be with you all.

Always,

Coach

*Bob Lathin*

Many thanks must be given to our manager, Carl Mitchell, for he has done more for the team than most people realize. North will surely miss him next year.

# FIFTIETH ANNIVERSARY THANKSGIVING DAY GAME

On November 26, 1970 North Attleboro met Attleboro to play the fiftieth golden anniversary game in football. Between the time Keven Kipp took the opening kick-off for North until Gary Livesey swept his right end with seven seconds remaining in the game there were many memories which will often be discussed in the future.

North met the heavily favored Bombardiers with all the pride, spirit, and desire they had. Steve Robertson, the MVP of the game, scored midway through the first period on a 44 yard run around left end. Jack Fitzgibbons kicked the extra point and North lead 7-0. Attleboro displayed its offensive power by reaching paydirt twice within the next 8 minutes. The touchdowns coming on a 9 yard run by Joe Dutra and a 5 yard run by Gary Livesey. With only 1 minute and 21 seconds remaining in the half, Steve Robertson blasted through left tackle and sprinted 91 yards to the goal line. This gave North a 13-12 lead at halftime. With 5:11 left to play in the game, Gary Livesey hit Ray Boudreau with a 10 yard scoring pass. Thus ending the scoring at 20-13 in favor of Attleboro High.

For the 33 Seniors who played in THE GAME, High School football is a thing of the past. But they have all gone out with their heads high. For they have all tried their hardest and played to the best of their ability to make their respective team a winner. They have reached success no matter which team they played for.

## CROSS COUNTRY

Although North Attleboro did not have a winning season there were some outstanding individual performances from some of the Cross Country men. Jeff Wnek set the record for the 2.7 mile course with a time of 13 minutes 52 seconds. Mike Habershaw and Jeff Payne were able to pick up the needed second and third place positions in Norths scoring to help with the teams scoring.

North will lose three seniors this year. They are Jeff Wnek, Mike Habershaw, and Murray Korman but with returning lettermen Jeff Payne and Gleen Jette and support from Gary King, Steve Ludwig, Dave Andrews, John Juusola, Jim Lang, and Steve Varney the 1971 shows promise.

Doug DiNardo

We cannot express our thanks in words to Mr. Pickering, but as a token of our appreciation we would like to dedicate our message to him.

Coach Pickering has given to our school and our town the first winning seasons they've seen since his playing days. He has instilled in us the will to win and the acceptance of defeat. He has not only attempted to make us basketball players, but also gentlemen at all times. In short, the poster in the gym stating, "PICKERING: PRIDE AND PERFECTION", is appropriate.

We wish to express our gratitude to the student body. Without you we couldn't have had a winning season.

Thank You,

Ron

## COACHES

Coach Schmidt

Coach Pickering

To The Class of '71:

It is sometimes difficult to express in words one's feelings and thoughts. For me as a coach and teacher the class of '71 has provided memories and experiences that will live with me forever. As I write this I reflect back to the first basketball team I ever coached and I see many of the same faces who have brought to North High most of its greatest basketball achievements. Through dedication, sacrifice, determination, and individual and team pride this year's team defeated Attleboro twice in one season, a feat not matched in decades; it was the first team to play in Boston Garden; it established a new school scoring record of 102 points in one game and for the first time in history will play in the Tech Tournament. None of this would have been possible without the tremendous leadership of co-captians Doug DiNardo and Ron Wnuk. The overwhelming support given us by our cheerleaders has played a most important part in our success and knowing that the student body were 100% behind us was certainly inspiring.

To the senior basketball players, and to Carl Mitchell, a most loyal trainer, I say thank you for the past six years; thank you for the joy of victory and for helping me to understand the heartbreak and loneliness of defeat. We have been through much together and through it all you have been an inspiration and challenge. What you have given of yourselves to the school and community will not soon be forgotten. What you have given to me will never be forgotten. For you, graduation from high school is a beginning, but for me as a coach and man it is an end, the end of an era. I sincerely wish each and every member of the class of '71 the best that life can bring.
